One World Shutter Warranty Detail

SHUTTER SHIELD GUARANTEE

| LIMITED LIFETIME WARRANTY

One World Shutters are backed by a "Shutter Shield Guarantee". The "Shutter Shield Guarantee" is designed to protect your shutters for "How Life is Truly Lived". Our "Shutter Shield Guarantee" will cover your shutters, to the original purchaser, for two instances, per address, of damage for any reason. (Finish is covered for the life of the product, colorfastness is covered for three years) After the two repairs have been performed, don't worry, your shutters are still covered under our transferable Limited Lifetime Warranty. Our Limited Lifetime Warranty covers your shutters against original defects in materials or workmanship. The "Shutter Shield Guarantee" and Limited Lifetime Warranty are both activated upon the products being properly installed and accepted by the consumer. Repair and replacement will be at the sole discretion of One World Shutters.
